Informational sites

Based in UK but interesting information, history, how they work, video clips and photos
<http://www.handykam.com/Knowledge-and-advice/trail-cameras-and-camera-traps.html>

More UK with good info on how to position cameras (effects of sun, reflections, etc.)
<http://wildlifenews.co.uk/2011/how-to-use-a-camera-trap/> (handout on table)

<http://cameratrappcodger.blogspot.com/> Many photos and links to other camera trapping bloggers. Also included is the 2013 Camera Trapping Workshop schedule.
